FASMC Competition For FSA: FASMC Competition was a great success this year thanks to the help of so many. But a special tip of the Fez goes to Noble Keith Yocum for arranging the competition field and inspectors. **Manheim's Ocoee, Florida Auto Auction of Orlando** was the perfect location for the event and the Deputy Sherriff's who assisted with the inspections were fantastic. The Banquet Dinner put on by Noble Bill Painter's Colonial Room Restaurant was the best meal we have ever had.
